# Welcome to #rememberthe400!

We are an organization that was formed to commemorate the 400<sup>th</sup> year anniversary of the first arrival of Africans that were brought to the shores of Hampton, VA in August 1619. Our mission tells the true story of those Africans who landed on the shores of the Americas 400 years ago. We seek to implement and support initiatives that right the wrongs of this dark past and commence the healing process. We bring together individuals and organizations dedicated to creating a positive regional impact of healing the racial divide.

Throughout the last 400 years, those Africans and their descendants have made invaluable contributions to the fabric of humanity. We are obligated to tell the story of the fortitude of this people and celebrate their achievements.
